

# ICT Penang Open Scrabble Tournament 2011

17 – 19<sup>th</sup> June, City Bayview Hotel, Georgetown Penang

*Commentary by Chuah Sim Swee*

City Bayview Hotel again played host to the prestigious ICT Penang Open Scrabble Tournament which was held from 17<sup>th</sup> till 19<sup>th</sup> June. Thanks to the groundwork done in the previous years by PSC and CIMB bank, the **novice** category attracted a record number of participants and a limit of 50 participants had to be set by the organizers so as not to be overwhelmed.

*Novice Winner: Samatha Loh with Dr Adele*

*Novice 1<sup>st</sup> runner-up: Choo Zi Wei*

*Novice 2<sup>nd</sup> runner-up: Chew Shin Liang*

*Novice participants enjoying their games.*

The **masters** category attracted 48 competitors with the largest foreign contingent from Australia (12 participants) and Singapore (8 participants). Malaysians comprised half the participants but sadly, with the absence of A.Ganesh, there was no local player who would have a good shot of unseating the reigning scrabble champ, Nigel Richards of New Zealand, from his throne.

Fortunately, Nigel's reputation did not faze the rest of the field to have a go at him and have the pleasure of taking a game off the champion. It was great scrabbling from the very first game as everyone gave their best. The quality of the field was evident as Nigel Richards did not rise to the top of the table at the beginning with players like Sam

Kantimathi of USA, Shim Yen Nee of Singapore, Marlon Prudencio of the Philippines as well as Aaron Chong and Henry Yeo of Malaysia maintaining their perfect scores and winning by bigger margins.

By game 10, Mr. Richards had stamped his authority and it was up to the chasing pack to try and bring him down. He would go on to lose three games , one of them to Shim Yen Nee of Singapore, the only female to hover in the top five but, by game 17, it was evident that he had won the tournament. Henceforth, he was 'gypsonized' and the rest of the field fought it out for the rest of the top positions. After a sumptuous buffet lunch, game 20 saw Sam Kantimathi happily pipping Henry Yeo Kean Hung for second position. Shim Yen Nee of Singapore was a well deserved fourth and Liew Kean Boon came in fifth.

The full results after game 20 is as follows:

17.06.2011 ICT PENANG2 -- Masters SECT

Rank	Player	Wins	Mar
1	Nigel Richards	17	1706
2	Sam Kantimathi	14	1012
